# DIFFERENT DEMANDS, SAME COMMITMENT

WE ADAPT TO THE  
REQUIREMENTS OF  
DIFFERENT SECTORS

## TRUCK

**OEM quality for your  
replacement.**

We are original wheel hub  
suppliers for the top worldwide  
truck brand because we apply the  
highest quality standards to our  
products.

*Daimler • Meritor • Saic • Dana*

## TRAILER

**Our extensive range for  
platforms.**

We have a very extensive range  
of bearings from tapered roller  
bearings to preset bearings for  
the main trailer brands in the  
market.

## BUS

**Adapted and integrated  
solutions for each market.**

We adapt to the needs of each  
market. That is why large urban  
bus fleets use Fersa bearings for  
maintenance. OEM quality for  
Volvo, VDL, MAN, and Iveco buses.

## OUR TOOLS ARE DESIGNED FOR FAST AND SAFE REPLACEMENT

Fersa Care is our complete and personalised  
service that helps mechanics with training  
and tutorials, technical information on  
applications, and tools to correctly and  
safely assemble the bearings.

## Wheel end bearings

### Patented Wheel end kit

Our patented solution with two preset bearings,  
perfectly aligned and lubricated for life.

**Volvo • DAF • SAF • Renault Truck • ZF**

### Preset hub assembly

Factory assembly guarantees an excellent  
fit and a longer product life, facilitating  
and improving repairs in the workshop.

We have one of the most extensive  
ranges in the market.

**Mercedes Benz • Volvo • DAF • Scania •  
BPW • Renault Truck • ZF**

### Hub & Compact

The compact solution is the most widespread  
for European wheel applications because of  
its cleanliness and ease of assembly.

We have the range for diverse applications  
ranging from Atego Mercedes Benz and Daily  
Iveco models to large platforms and buses.

**Mercedes Benz • Scania • Iveco • MAN •  
SAF • Schmitz Cargobull**

### Tapered roller bearings

Two tapered roller bearings are the  
a very extended solution. We have  
perfected their design applying  
restricted tolerances for an optimal  
preset, covering special bearings such  
as those in Mercedes Benz.

**Mercedes Benz • BPW • Scania • MAN**

HIGH PERFORMANCE IN  
EACH APPLICATION
